Since joining Pyramid Brokerage in 2009, Peter Malone has been involved in numerous transactions including: the sale of the 189,000 SF former International Paper North American Research and Development facility located in Tuxedo, NY, the sale of 133,000 SF former Kolmar Laboratories manufacturing facility located in Port Jervis, NY, and the sale of the 20,000 SF Delfino Insulation building located in Middletown, NY. Some of Peter's notable lease agreements include Cablevision, NDA Distributors and Redner's Supermarkets. Peter's primary focus is industrial and office leasing and sales.

In addition to his career in commercial real estate, Peter's prior professional experience includes 25 years in both residential and commercial lending along with 5 years in economic development. He has worked for several notable financial institutions including HSBC and KeyBank.

Peter holds a Bachelor of Science Degree in Business from Northeastern University and has completed all the required courses to qualify for the International Economic Development Council's Economic Development Certification designation.
